OFF MY CHEST

Editor's Notes

Greetings fellow boob lovers! Welcome to another action-packed, sweater bulging issue of the world's foremost breast magazine. Let's get right into the girls. Sara Stone, with her wonderful natural yabos is our opener. She's young, hung and ready for cum. Next up is a couple of sexy bitches in lesbo heat. Gemini Starr and Victoria Jolie are really into labia lapping. They're the real deal. You're gonna love the way Whitney Stevens handles a set of balls. And you're really gonna love her barely 18 natural tits flopping around the tennis court. Autumn Breeze wastes no time wrapping her big cans around the lucky stunt-cock, before he flips her around and slams his meat deep into her creamy cooze. Slim and stacked is the perfect description for Claudia and her bulging breasts. Now, when it comes to perfect tits, Gabriella Michaels immediately springs to mind. Not only are her natural orbs a wonder to behold, but she is also letting us watch her get heartily fucked, before wrapping her Jello treats around the throbbing member to finish it off. Claire LaFemme has a new look and a svelte new body, but her breasts are looking as mouth-watering as ever. Yum, yum! Misty Vonage demonstrates the fine art of titty-fucking as well as filling her gooey snatch. Sara Jay is one of my all-time favorite models to shoot. She just plain loves what she's doing. When she's doing a sex scene the feeling in the room is electric. She truly loves cock, pussy and all things associated with sex. She found her calling...and she's very good at it! Carla contacted me to see if she had what it takes to be in magazines. I couldn't dial the phone fast enough and a couple weeks later, she was in the studio. I think you'll agree that I made the right choice. In FoXXX On The Run, Amber gives her full assistance to a chick going for the Gang Bang record. There couldn't be a better girl for the job of fluffer. Rhiannon takes a welcome delivery in Breast Of Times. Steve Nelson brings all the news with tits in The News Rack. This month he's featuring the legend Teri Weigel and Sexy Vanessa. We've added a new feature this month called Mammary Lane. It features huge tits from issues past. Hey, you can never have too many boobs...I always say. That's just a taste of what we have in store for you this month. So lower the shades, get out the lotion, sit back and crank a few out to our fine collection of huge hootered honeys. After all...It's All About The Boobs!

TALE OF TWO TITTIES...

Dear Gent,

Michelle McClaren is fucking hot, especially with a dick in her ass. When I saw the May 2008 issue on the stand, I just had to see what she was up to. I was not disappointed. Why can't I find a girl like that?

Also, the layout with Nikki Jackson and Sunny Day on the pool table is smokin'!

You guys rock! Keep it up!

Walt Bannerman
Orono, ME

Walt,

Michelle is definitely special. She's the one that actually suggested we shoot some anal.
Ya gotta love that!

Dear Mr. Fury,

The Monster Tit issue was excellent and way past due. I love those girls and really miss that there are not many new ones taking the place of them as they retire. It's a shame, but that era in titdom was the best.

Cheers,
Ian McCalister
Kent, England

Ian,

I wholeheartedly agree with you. I love the big fake tit girls. Unfortunately, the implants are no longer available, nor are the doctors to put them in. Let's please bow our heads for a moment of silence.
Anton Fury

Dear Gent,

I had to write to tell you how much I enjoyed the Feb. 2008 Super Natural issue. Kelly Madison was a great choice to open the issue, with her wonderful tits, sweet pussy and glorious ass. I fell in love with Cierra's 48HHH tits. Her face is beautiful and those boobs left me breathless! The hardcore pictorial of Charlee Chase made my cock throb. I am envious of the guy that's sucking and fucking her, especially the way she sucks his cock. Lisa Marie is hot, sexy and very pleasing. Sydney Simone is truly a Black Goddess! Words cannot describe Gianna, she's the total package. I've seen XXX videos with her and she lives and gives hot, nasty sex!

Cassandra Calodera and her dildos nearly stole my award as the best pistorial. I love big-boobed ladies that do hardcore or spread their pussies and asses. With Roxy, it's hard to decide if her best feature is her tits, ass or pussy. Reyna has perfect tits and a gorgeous face.

The top two in the issue for me were Laura and Maria Moore. Laura has big tits, big ass and a lovely face and sucks and fucks for viewing pleasure. And for an

Dear Editor,

I've been a big-tit lover for as long as I can remember. I have hired many of the feature entertainers for private shows over the years. I am a true boob lover, so I'm not necessarily interested in fucking these gals, but if the opportunity presents itself, I'm not one to look a boob horse in the mouth.

A few years ago, I hired a girl that turned out to be one of your cover girls. She had always been a favorite of mine, so I was really geared to see her in the flesh.

The date finally arrived and I went to her hotel room to meet her. I have to admit, she looked a little older in person than she did in the magazine and my fantasies for that matter. But, she still looked good and her tits were even bigger up close than I expected, so it was a pretty good trade off.

We had previously discussed what I was going to get, so we didn't waste a whole lot of time making small talk. I settled back into the chair and after turning on the radio, she began to dance around. She took her time, moving to the slow song, until she finally eased open the front of her shirt to give me a little peak into her ample cleavage.

After another song she had taken off her shirt totally and her huge tits were bouncing all over the place. She moved in close and pulled my head in between them and gently squeezed. If my cock wasn't hard before, it was steel now.

She turned around and ground her big round ass right onto it. There is no way that she could help but feel every throbbing inch. I reached around her and filled my hands with tons of tit flesh. This went on for quite a while until she stood and went back to dancing for me.

Her hand went between her legs and she slipped a finger into her, obviously gooey, slit. She let out a loud moan as her finger caressed her pearly bud.

She whimpered, "why don't you free that monster and stroke it for me."

I didn't have to be asked twice. I unzipped my pants and it instantly jumped out. I pushed my pants down around my ankles and than wrapped both hands around my meat and started stroking. Her eyes were glued to it as my pre-cum flowed out the piss-hole to lube up my hands. I was so close to cumming that I had to back off and pull my hands away.

The look on her face was priceless as she cried out, "No, don't stop!" as she fell to her knees and swallowed my meaty pole whole, while still slapping her clit. By the time she had swallowed me to the balls, I was shooting a huge load down her Hoover tunnel. I took her big tits in my hands and squeezed, while my balls continued to empty every drop of splooge I had. She managed to swallow every drop as she came all over her buried hand. That was one of the best experiences I ever had with one of these incredible busty babes. I'm not going to tell you her name, but suffice it to say, I have a great affection for the particular issue that she was on the cover of.

PHOTOS BY BIG DICK JOHNSON

I love AVN week, and it always brings a lot of great people together to party, play, and take some fun pictures like these. I actually spent so much time fucking this year that I didn't get a chance to spend much time at the convention! I did manage to get out to some of the after-parties, and at the Fashionistas event one Gent fan even came up to me and I got to share some fun time talking about Gent and what I had been up to.

Now… I have a riddle for you. What happens when you put four people with porn sites in one house during AVN week in Vegas? The answer will be pretty obvious – a whole lot of fucking! That was the result when me, Lana Devious (www.lanadevious.com), Erin Daye (www.erindaye.com) and Big Dick Johnson (www.bigdicksroadtrips.com) all decided to rent a house and invite as many people as we could find over to fuck us! I am not going to be able to tell you about everyone that came through, but I will tell you about some of the wildest!

The flight in was a great one, and before I knew it I was out and about on the strip, making my way to the Circle Bar where I ran into some friends and met some fans. I took some time to visit and chat, but being around all those sexy people was getting me all hot and bothered. The most fun part of the evening was getting my picture taken with people that asked, and the last picture was the most memorable for me. I'll remember that fondly, because after feeling my fan's rock hard cock in my back when I cuddled up to him, I took him to a secluded area of the hotel and gave him a quick blowjob before turning in for the night!

The next day got started with a bang, as the house got filled up with people pretty quick! Since Erin does mostly interracial stuff for her site, there were a few black guys that came over to the house, and while she got started with them, I took the

time to get to know another big-tittied slut, Zoey Andrews (www.zoeyandrews.net) who had stopped by.

Zoey had come to fuck, and fuck she did! She started out with Dick, literally and figuratively, taking care of him on the pool table. I got to watch from the balcony above, and got to see what she could do with a cock, and I was impressed - I think she likes to fuck almost as much as I do! Next she took care of Lana, wearing a strap-on for the first time in her life, and then I got to take over, fucking her with a strap-on, her first time getting that done as well! You will get to hear all about that adventure next month with the full pictorial in this column!

After that I really had to get some dick, so I grabbed the nearest guy and took him back to he laundry room where I sucked him hard and bent over the dryer so he could shove his hard rod deep into my begging cunt. He pumped me hard and fast, and I clenched my muscles, milking his cock until he deposited his seed deep inside me. The hottest part was being able to hear Erin's moans coming down through the venting. I could hear her getting pleasured while my pussy was being pleased! We finished off the first day by hitting the red carpet at one of the after-parties, where we got to see a good show and recharged the batteries for the next day's events.

The next morning was beautiful, and full of possibilities again! We had a fresh batch of people coming over, so I knew there would be plenty of fun happening. My first duty of the day was playing director, a role that I enjoy - it is like playing with dolls, posing them and telling them exactly what I want to see! My playtoys this time around were Big Dick and the aptly named nympho (www.thenympho.com, to be exact) Alanna Thomas. I had them fuck in the dirty garage, capping it off with Dick plowing Alanna's ass!

I love some good anal fucking, and since I hadn't had any yet, I took two of the guys that had showed up and headed for my

bedroom. I needed some good, hardcore, down and dirty fucking of my own, so I told them to use me however they wanted, everything was open! They were rock hard when they dropped their drawers, and I jumped on the first cock that I saw. The only thing better than getting slammed by a nice piece of man meat, is getting hammered by two!

The guys took turns splitting my swollen cunt lips, switching back and forth, feeding me my own tasty juices when they would trade places going from my snatch to my mouth. I was drooling and moaning in extreme pleasure as I got worked over! I reminded the guys that I told them anything goes, and they got the hint as one pulled himself out of my mouth and positioned himself at my little brown pucker. I pushed my ass back towards him, burying the other dick deep in my pussy. I felt him push forward, and seconds later I was double-stuffed!

The feeling of two big, fat cocks filling my holes was very intense, and I was screaming out in pleasure while they pumped away. I told them to slam me as hard as they could, and they buried and pushed deep, and soon they were both filling me with their cream - I had never had a double creampie before, and I shuddered in pleasure as cum drooled out of both of my invaded and gaping holes.

The only thing left to do after a good fucking like that is more fucking, so I went out to one of the big after parties that night and stayed out until about 6 AM partying and playing with whatever cock and pussy I could find. Unfortunately, there just isn't enough room to tell you about everything I did, but I can tell you I left Vegas with a well used pussy and a sore ass! I can't wait until next year!!!

Keep on cumming!

Breast Of Times

23481, 23684

I love my property. I live very close to New York City yet; my home is situated on a couple of acres surrounded by other property that is landlocked. So, there is no chance of me ever having nosey neighbors. I have lots of privacy, which I truly adore. I do; however, have an incredible amount of wild animals that have found a home on my land.

The beauty of having privacy is the fact that it offers me so much freedom. I love being naked, especially out doors. I play nude basketball, nude badminton, nude wiffleball, wash the cars in the nude, and just about anything and everything else I can do; of course in the nude.

One day I happened to be outside, naked naturally, when a delivery truck rolled up my 200 yard, long, winding driveway. I did not hear the rumble of the truck. Needless to say, I think the driver was a little surprised. She had a package that needed a signature, so there was obviously no way to avoid me.

As she stepped out of her truck she approached me trying not to look as though she noticed I was naked. I thought I would break the ice and told her I am always outside without my clothes. In fact, I really hate wearing clothes on such hot summer days. She agreed that the day was exceptionally scorching. I invited her to take off her uniform and enjoy a cold drink with me. Despite her concern of losing her job, I insisted she relax for a while. I was her last stop for the day and all she had to do was punch out at the office.

I said, "Lighten up sister, and let's have a little fun!" At first, I think she either thought I was crazy or a pervert.

I poured her a drink and pulled up a lounge chair for her. We talked for a bit and then I encouraged her to rip off those clothes. It was too hot for anyone to be wearing anything. She said, "What the hell, why not." As she peeled off her loose top I could see a bead of sweat roll down into her cleavage. She then popped off her bra and released her magnificent breasts. "WOW", I thought, who would have ever suspected she could have such amazing tits? They were round and full with that natural feminine slope I love so much. Her nipples were the size of silver dollars and slightly brown.

Now, I am not a sun worshipper but, if I am out doors, I do practice good skin care. I immediately offered to apply my sunscreen on her. I did remind her that I could do a much better job if she continued to remove the rest of her clothing. She modestly took off her baggy shorts to reveal a flat, tight, curvy waistline. Again, I sat back in astonishment. I said, "That uniform is ridiculous and certainly does you no justice." I realize it is regulation but, my God, this girl's body was too amazing not to be seen and appreciated by all. I, on the other hand, could not wait to demonstrate my appreciation.

"OK, I promised you I would lube you up with sunscreen, so come here and sit between my thighs. I want to start with your back." She did exactly what she was told. I started rubbing the lotion onto her shoulders and then down her back. As I moved down her lats, I could feel the sides of her bulging tits. I quickly finished her back so I could make my way to the front of her exquisite physique. I ran my hands around her supple breasts. I squeezed the cream down her tits. They were so soft, floppy but not sloppy. I loved squeezing them and jiggling them. She had the tits that I only wished I had been blessed with! But, for the moment I did have them and I planned on getting as much enjoyment as possible while my guest visited.

I pulled one boob up to my mouth and took in her whole nipple. I squished it between my teeth, gnawing while taking baby bites. Those erect nipples were begging for sucking. I was happy to oblige. Her head fell back and a soft moan escaped her mouth. She took my head in her hands and pulled me closer.

After a few minutes,she

pulled away and said it was her turn. She trickled the sunscreen down my boobs as she massaged it into my mammary flesh. She flicked my pink nipples while running her hands across my tits. We then lined our nipples up together and rubbed our tits. We wrapped our arms around each other so we could slip and slide, tit-on-tit. This was pure hooter heaven!

While rubbing our breasts together, I slid my hand down between her thighs. Her pussy was hot and wet. I rubbed her bulging clit with my finger. Once I knew she was at the edge, I slammed three of my fingers deep into her cunt to make her explosion even more intense. She came all over my hand. She was panting from exhaustion.

She pulled me close to kiss my pouty lips. Her tongue snaked its way down my throat. She continued to kiss me all the way down my tight, busty frame until she arrived at the opening of my pleasure palace. I was dripping with excitement. She buried her head between my thighs as she perused my pussy with her tongue. Her tongue was penetrating me as though it were a cock. She held onto to my tiny hips, plowing away at my snatch. She did things to my slit like no other. She focused on my engorged clit with her finger while driving her tongue deep into my gooey folds. I was trembling and trying so hard to savor the moment. I did not want to come. I did not want this day to end. But, I could no longer hold back, I squirted a bucket full of juice all over her as I screamed with delight. As the hot sun beat down on us, I continued to cum until I collapsed back onto the chair. She gently laid her head on my pussy, so we could both recover.

As she got dressed to leave, I told her ,"That's what I love about your service you always deliver."

FACE FIRST

WRITTEN BY KENYA SUKMEHOFF ILLUSTRATION BY AARON WARNER

My class reunion would not have been nearly as fun if Jill hadn't come. And she did, all over my boyfriend's face!

Going to my five year high school reunion was just a reason to show off anyway. I didn't care about seeing old friends, I just wanted all my old friends to see me. When I got the invitation for the stupid reunion, I immediately set out to find some stud to go with me so I wouldn't look like some single nerd in front of my whole class. I took my laptop to the coffee shop and didn't wear panties on purpose. I posed in the most open positions while pretending to work online and watched the guys whisper to their friends about the girl by the window not wearing any underwear.

The first batter up was the waiter who brought me my latte. He dropped the napkin on the floor and when he bent over to pick it up, took a long look up my legs and under my skirt. I was such a whore and put my hand down there, parting my pussy open for a quick look. He hit his head on the table as he stood up with the napkin and a bulge in his pants that nearly knocked my drink off the tray!

Exactly one hour later Nick the waiter got off work and I was getting off in Nick the waiter's car. I wanted to give him some free pussy so I could lure him into the reunion. But pussy wasn't the only thing on his mind as he unfastened my bra. I'm a pretty big breasted girl, and it always feels good to have my bra off. It felt especially good to have my bra off and Nick sucking my big tits. He circled my wide nipples with his tongue and teased my twat with his fingers, dipping inside my wet hole and out again, getting me super-horny. I gave him the best blow-job he ever had, sucking long and slow on his giant pecker, then really fast up and down until he shot his thick load in my mouth. Yummy! I love the taste of warm cum after coffee!

Then I teased him a while saying my "schedule" was "too hectic" to get together, but made plans to see him the night of my reunion. When he came over I told him this "thing" came up and that's how I got him to the reunion. I don't even know his last name. And seriously, he's not even my type. But damn, that boy has a thick cock, and I will gladly let him fuck me with it for doing this.

As expected the reunion was lame. All the dorks were there. Then my BFF Jill showed up with her husband and it was just like old times! I actually dated her husband Matt in school. We used to make-out at his mom's house after school. He wasn't my first, but he taught me 69. I can still smell his balls from when I would suck him off while he ate me out. I didn't swallow then, so when he came in my mouth, it would run out of my mouth and down my cheeks. He loved fucking my big titties, and I let him because I didn't swallow. He would come all over my tits and I would rub it all over. We were so bad!

Anyway, the reunion was a bust. Only, like, 20 people came, so Jill and Matt invited everyone back to their place for drinks. Jill was asking Nick stupid stuff about us, and if he liked me only because of my big tits. It was just like high school again. And then she had this idea to play a game called "Face First". Who knows where she picked this up! I never knew she and Matt were swingers!

In "Face First" someone plays the radio and all the guys lay down on the floor face up. The girls take off their panties and walk around slow enough so the guys can peek up their skirts and stuff. Then when the music stops, the girls sit down on someone's face, like Musical Chairs. When the music starts back up, the girls stand up and walk again. It's a game where everybody wins!

Matt passed around a basket and all the girls took off their panties and put them in. The guys got on the floor and we started walking. We were pretty lit by this time, so we were all having fun. The music stopped and we all sat down. I sat right on Jason Naver's face. He was always kind of a dweeby kid, but the minute I sat on his face Jason parted my wet folds with his tongue and got to work! He plunged his tongue inside my pussy and wiggled it around. My eyes half closed and I leaned back to allow him to lick my clit as I straddled his smooth face. Jill was running the music and "just happened" to stop it when she was by Nick, that little bitch! I looked around and found Matt eating Sara Slater's hairy bush, and everyone else was totally gettin' busy. It was awesome!

Jason worked his tongue in deep while I rode his chin, feeling the excitment in my chest. I lifted my shirt and bra and held by big titties in my hands. Jill was totally out of it as Nick ate her pussy and stroked that thick, long cock of his. She reached back and began jerking him off, then turning around and sucking his knob while he continued eating her shaved beaver. He grabbed her firm tits and played with them as I watched, fondling my own big juggs. Matt gave up trying to eat Sara's hairy twat and got on his knees and sprang his massive boner on her. I forgot how big he was and she eventually leaned back so he could fuck her tight hole.

Watching all this got me so close to cuming I leaned over and pulled Jason's hard penis out. I popped it in my mouth and bobbed the shit up and down out of it. He tongued my twat furiously as I sucked his big hard-on. He fingered my pussy and licked out my ass, spearing my bunghole with the tip of his tongue until my anus opened and allowed him to taste the inside of my asshole, pushing me over the edge! I squeezed my big titties up around his stiff shaft and titty-fucked him. He shot his load slow like lava, oozing out the piss hole and flowing down around the crown of his beautiful cock, where it puddled in my long, tight cleavage. I milked his dick for all of his seed and kissed the tip as he moaned in ecstasy and relaxingly brought me to climax with his tongue snaked up my ass and three fingers rubbing my pussy raw.

"I'm gonna come! Don't stop" I begged. "I'm gonna come!"

My pussy was spread to it's widest as he knuckled five fingers in, using the other hand to open my ass and damn near climb in. I came and my own girlie juice ran like a river down his chin as I pinched my nipples and pulled them till they hurt, moaning from the intense wave of pleasure.

After everyone collapsed, naked, wet and satisfied, someone suggested we should get together more often.

CONFESSIONS

Of A Big-Tit Slut!

FEATURING CARMELA BING

Yesterday afternoon I was driving home from a job in Las Vegas. I'm a high-end exotic entertainer and porn star. Although I live in Phoenix, the money is much better in LA, so I make the trip every month for at least a week. I make so much money that I can take it easy for the rest of the month.

On the way back, my car just stopped running. I know how to shake my ass, but I know nothing about cars. I sat there for a few minutes trying to figure out what to do. I had not passed any type of civilization in over an hour and had not seen any other cars in a while. I decided that I'd have to start walking in the direction that I had been heading, hoping to find someone to help me. The temperature was well over 100 degrees and the sun was beating down on me. I was actually starting to get light-headed when I spotted a big red truck coming toward me.

I raised my hands into the air to flag him down and as he approached me, he slowed and pulled off to the side of the road. As the driver jumped down from the cab, my legs started to buckle and before I fell, he caught me and carried me to the truck.

Once inside the air-conditioned cab he gave me some water and I quickly began to revive.

At that point I noticed that my savior was quite young and hot. Now that I was feeling better I started up a conversation. I thanked him for saving my life and asked what I could do to thank him. With a knowing smile, he pulled the truck off onto a side road and we drove for a good 15 minutes before he slowed and pulled to a halt.

Taking my hand, he pulled me from the truck into the hot sun. He placed his hand on the back of my head, getting a handful of hair placed his mouth firmly on mine. I willingly accepted his thrusting tongue and slipped my hand down to his pants. I unbuttoned the fly and reached in to get a grip on his already throbbing cock.

With that I pulled my face away and dropped to my knees. I wrapped both hands around his thick snake and placed my lips around the engorged head. He grabbed my head in his hands and proceeded to fuck my face. I was able to take his length without choking. His balls slapped my chin each time the steely shaft penetrated my throat. I could taste his juice bubbling out the tip and trickling down my throat.

As his dick got even more rigid, he picked me up and bent me across an old bench that was sitting near by and plunged his cock deep in my soaked cunt. Holding both hips in his strong hands, he picked right up where he had left off and slammed into my gripping pussy.

"Fuck me harder", I cried out, as his passion built up even higher.

He did. The sound of my screams could most definitely be heard for miles. Luckily, there was nobody around to hear, so I just totally give in to the moment and begged him to fuck me harder and harder.

My big tits were swinging back and forth in conjunction with his pounding. He forced his man-meat in balls deep, until his hips were pressed up against my firm ass-cheeks and he reached around to get a grip on my bouncing boobs.

While sliding his incredible cock in and out, he pinched my nipples with such force that it immediately sent my cunt spiraling out of control into a huge orgasm. He continued pumping and pinching until I collapsed onto the bench, totally spent, but far from ready to stop.

He straddled my thighs with his cock still pummeling me and gave a few more hard strokes. Again, I could feel his shaft thicken up and he pulled free. He flipped me onto my back and laid his huge cock in my cleavage. As soon as I wrapped my soft titties around him, he started to blow. Rope after hot rope of boy-juice splattered all across my chest and into my face. I licked up what I could reach with my tongue and scooped up the rest with my fingers. I sucked his cock back into my mouth to clean off our mixed juices.

He settled back, but I was insatiable and wouldn't let up on his cock. Before it even went soft, I had it sucked back up to full erection. I jumped on top of him and rode him in all different ways for the rest of the afternoon.

THE NEWS RACK

ALL THE NEWS WITH TITS

By Steve Nelson, Editor-in-Chief of Adult Industry News (AINews.com)

GENT MAGAZINE • AUGUST ISSUE #137

TERI WEIGEL

Congratulations to Teri Weigel and her husband Murrill who celebrated 21 years of marriage this December 23. It's tough beating that anywhere - let alone in the Adult Entertainment Industry! I saw Teri at the AVN Expo in January and she looked great! I wish I had more time to talk with her.

There's a lot going on with Teri, like she may be opening a club in Florida soon. Teri really likes to dance, which anyone who has seen her can attest to. It seems a natural progression for her to open a club where not only top features can perform but where (hopefully) Teri will take the stage on occasion! When she books in your area go by to see her show and meet her. I know you will be impressed!

Teri's website, TeriWeigel.com, has a 24/7 on the road webcam. That means you can see Teri in her hotel room when she tours as well as at home - and just about anywhere else she is. She does shows two times a month in her Florida house as well. Teri is on the road over 40 weeks a year touring and some of that footage may be in the works for distribution.

The previous time I saw Teri it was up in the Santa Barbara area where she was filming scenes and performed her first "double-vag" on camera. Teri is always totally professional, a dream to work with and is squeaky clean! Remember me writing about her a few issues ago when I told you about her doing laundry for the crew at the shoot house in Las Vegas? She makes you want to wash the dishes just by being around her. Down to earth and real.

Look for "Teri Does Vegas the Hard Way" coming soon. Patti Rhodes, an Adult Industry icon, wrote it. The TeraVision movie "American MILF" with Teri on the boxcover is out and getting great reviews. You can also see a trailer of "Teri's Desperate Houseguests" on SuitcasePimpFilms.com.

TIT BITS ON THE TITS OF MYSPACE

After finding legend porn goddess Debi Diamond on MySpace back in June 2007 I began thinking about all the super-titted greats I've run into there. There's a lot of names you will remember if you have been a fan of Gent Magazine and the legend-status big-boob babes of the past.

Remember Busty Dusty? A few years ago I saw her at the Erotica L.A. Expo without her enormous hooters. She had her implants removed and retired from feature dancing. Surprised that I recognized her with moderate mams instead of the magnificent monsters, she signed an autograph for me as "Bustyless Dusty".

Dusty's MySpace account ID is 131295629 (the URL is crazy-long!). She's happily married and living in Washington. She keeps up with the gossip too. Did you know there is actually some wannabe claiming to be wearing her implants? A big-bust girl (who will remain nameless) is bragging all over the place to have Dusty's used implants in her chest. Turns out to be a medical impossibility because of an undisclosed detail about the old implants according to Dusty. Amazing the way some people try to get credibility.

Wendy Whoppers is at MySpace.com/WendyWhoppers. From the emails we've shared she's just as sweet now as I remember when my x-wife and I met her at Bob's Classy Lady where she featured back in the early 90s. She is married, living in Florida and likes working out. She has some beautiful tattoos now and smaller breasts. Her hair has changed from blonde to brunette a few times with red in there once. It's blonde now and long - down to her ass. She said if I was in her area of Florida to get in touch for coffee or something. If I do, I guarantee I'll be telling you about the things going on with her website and where to get some fan memorabilia in my next column!

Jade Feng has left MySpace for real life. She hasn't been on her MySpace account since January 2007. She terms it "graduated from Myspace Academy" and her account at MySpace.com/JadeFeng won't accept email or comments. Minka has been in touch with Jade recently, though, and I believe there is fresh content on Minka's site of both of them together.

Minka's MySpace is MySpace.com/xxxMinka but it's just a re-direct to her official website MinkaXXXsite.com. A lot of stars are using MySpace to market their sites but they have to be careful because MySpace will delete you at the drop of a nipple!

Tiffany Towers is living in Toronto and does some wonderful work with animals! She is planning a month long trip to Thailand soon to work with elephants. She says, "I am volunteering, so this is a very expensive adventure and would love any help I can get. I have a Paypal account where anyone can donate, my address is: TiffanyTowers@Hotmail.com." Since losing her dog, Bandito, after 17 great years of companionship, Tiffany is now free to travel and help other animals. Her MySpace page is MySpace.com/TheRealTiffanyTowers. You want to see her? She says, "I am also doing webcam shows, if interested contact me."

MySpace.com/CrystalStormXXX will take you to Crystal Storm's page. My ex-wife and I would write Crystal fanmail back in the mid 90s. She has always been a favorite of mine This past January I got to meet her when she was signing at the AVN Expo. What a sweetheart! I wish she would do another pictorial for Gent! I would love to see her in print here again!

Last but especially not least is Mistress Rhiannon. Her page is MySpace.com/TheRealRhiannonXXX. This super-slim super-stacked caricature of beauty has a page where you can get in touch, and if you are a girl who is boobiferously endowed please send her your picture! You could well appear in the pages of this fine magazine in the upcoming months. When you go and say "hi", please find the links and check out her websites where she appears completely nude.

That's only seven of the super-tanker-titted lovelies that can be found on MySpace. There are HUNDREDS! Of course you won't find the great naked pictures there that you will find in Gent Magazine, so either dig out your magazine stash or write us here and request a fresh pictorial of your dirigible dream date. You can also write me at editor@ainews.com or at MySpace.com/ReadAinews where you will find links to a lot of the interviews you have read here in The News Rack.

SEXY VANESSA

Do you like beautiful, exotic women with sexy accents, red hair and a stacked body? If so you'll love Sexy Vanessa! I met Vanessa for the first time when she was shooting a layout for Gent back in August 2007. She is charming and intensely flirtatious.

Vanessa is from Buenos Aires and started her career in adult entertainment as a showgirl at the age of 18. She moved and lived in Mexico for 20 years where she did live shows. It was fifteen years ago she moved to Miami.

Vanessa got married but divorced 5 years ago. It was then that she started her website and started doing porn. Moving to Las Vegas two years ago she has stepped up her work schedule and is doing lots of scenes now.

I asked her about her first scene and she said it had been 5 years ago when she did MILF Hunter. Nina Dolcie referred her to them. Shortly after, she met the guy who shoots under the pseudonym Roman Pornanski. Roman says nothing but good things about Vanessa. You can find a lot of his work on the Filmco label.

Vanessa hates humiliation, "You hate women, you are gay," she says in her Latin accent that drives me wild, then continues, "I hate stupid people." (Don't call her if you are stupid.) She also hates male actors who are overly aggressive in movies. She says she doesn't shoot with them, no choking, spitting, disgusting drama - if grabbed by the neck she grabs the neck back. She's a mistress, Dominatrix, likes to give pain and loves to be in control, "I am pleased in all my scenes and I please people too."

Vanessa has done 10 interracial movies for Evasive Angles including an anal scene with Sean Michaels. She likes DPs but "without oral I can't have sex." She likes to kiss. She is very adventurous, has a dungeon in her house, and loves sex more for fun than money.

Who does she like to work with? It depends on the talent. When the mix is right the passion shows. She's been shooting for a lot of websites like Naughty America and Cougars in Heat but she is interested in shooting content with whomever she finds exciting. Teri Weigel and her husband Murrill shot with her the August, 2007 week we were all in Las Vegas. They both loved it! Murrill said she asked about me, "Where's my leetle beech?" I must have made a good impression. Watch for the pictorial in an upcoming issue.

Sexy Vanessa has no more fantasies. She says she's done it all. A transexual fucked her while she lied in a sex swing, for her birthday. She explained that was the last fantasy yet to be fulfilled.

She then began to list the places she has had sex: In a Pizza Hut bathroom, an elevator at night as a "show for security" who would watch her on the cameras. On the 40th floor she and her lover were kissing and a stranger got on and they didn't stop - "You should try it" she says, "elevator sex."

"I had sex in the street one day, it was 1:00 a.m., fucking doggy style, it was more exciting. On a nude beach in Florida, we start playing, other couples start same, everyone starts fucking!"

She's a swinger as well. Started with her x-boyfriend of 12 years who she is still friends with. She steals his girlfriends. "I had a 3-some with my ex-husband and ex-boyfriend. You should try, start living."

TheSexyVanessa.com is in the works and should be up very soon. It promises to be really hardcore. Soon after, Vanessa says there will be another site, produced and directed by her own company.

Vanessa goes to LA every two weeks, so if you are shooting contact her for some steamy, classy Latin fire. You can book Sexy Vanessa through Absolute Modeling but she says she gets work more from referrals, than from her agent.

In closing, I asked her where do you go from here? "To a restaurant or something, I'm hungry and I have a glass of wine..."

The movie starts strong with a scene with youngster Regan Reese. Regan's got some good ink already and her tattoo artist knows what to say and do to get her motivated for more.

Mr. Pete helps Sativa Rose pick a tattoo before taking her back for some sweet spooning! Sativa is sex personified. Mr. Pete is her tattoo artist and he is serious about getting Sativa to sit on his fat cock. Shedding her little low-cut dress that really highlights all the best tourist locations, the couple begin their mating dance. On his lap she sits, taking his dick deep into her steamy little slit. Mr. Pete pounds her into the ground with a crushing missionary romp before they change positions with Sativa on top. Watching her ride a cock is like seeing some strange exotic bird get fucked by another strange bird. You just can't take your eyes away, but you don't know where to focus, every inch of the petite punta is amazing. They end up screwing some more with a great reverse cowgirl being the highlight. After fucking for a long time, Mr. Pete finishes inside the sexy tart and his batter oozes out for the camera to see. Hot damn!

Working her Latina roots, Carmen shows up in a revealing and incredibly sexy maid's outfit. Brad Hardy is the lucky woodsman in his lonely hotel room. One thing leads to another, doesn't it always, and Carmen's lips get wrapped around Hardy's tool. Brad frees Carmen's perfect boobs and places his cock in the valley of flesh and humps her cleavage like a horny dog. Flopping back onto the bed, Carmen has her pussy lapped and fingered before Brad slips on a rubber and pumps her caliente cooch.

Carmen returns to close out the movie with Tommy Gunn. Talk about a barnburner. If this scene went on any longer Adam and Eve would be hearing from my doctor about the abuse my elbow is receiving. These two have great chemistry and it pours through the screen as they fuck hard and fast with little time for any breaks. Carmen goes for the 69 and looks absolutely stunning with her pussy across Tommy's chin and her perfect ass in the air. DDD-CUP
